TRials supported by Smart
Networks beyond 5G

TrialsNet invites European third parties such as verticals, companies (including SMEs), research centers or any other relevant entity, as well as facilities and infrastructure owners, to participate in its large-scale trials activities through the implementation of additional, diversified, and heterogeneous vertical use cases, to support:

- *Option 1: The deployment of new trials on the platform and network solutions deployed by the project,*
- *Option 2: The extension of its infrastructure's domain in other geographical areas located in Europe (complementing the main clusters).*

IF YOU ARE AN INNOVATOR IN ONE OF THE FOLLOWING DOMAINS:

- Infrastructure
- Transportation
- Safety & Security
- eHealth and Emergency
- Culture
- Tourism
- Entertainment

By applying to the Open Call, third parties could enter in TrialsNet project receiving up to 200.000 € under Option1 or, alternatively, up to 300.000 € under Option 2.

Open Call launch: 16th October 2023

Proposals submission deadline:
19th January 2024
